

BANGALOW Wholesale Nursery

Description:

Premium Advanced Trees and Shrubs Breeder and specialist contract grower of advanced trees & shrubs for the Australian landscape industry in containers 200mm+. Our improved compact tree selections are ideal for urban applications; garden rooms, feature trees, avenues and hedges. Our nursery and office are ideally situated on 34 coastal escarpment acres above Byron Bay in one of Australia's premier growing regions. We are passionate about growing - our plants are hand potted and root pruned at each stage of production to achieve a premium product. Species grown; Acmena, Acronychia, Brachychiton, Backhousia, Caesalpinea, Cupaniopsis, Elaeocarpus, Brooklet
Postcode/Zip: 2479
